Part II Course Details

1. Abstract

(A 150-word description about the course)

The Internship course is designed to enhance and enrich students' educational experience by integrating the academic component of their degree programme with the practical workplace experience gained at the internship site. The course provides an opportunity for students to apply theories, practices, and skills in the workplace setting, and to critically reflect on the efficacy of the knowledge learnt in the classroom. Students work full-time or part-time at their host organizations for a minimum of 200 hours. In normal cases, the internship will involve students working overseas; Hong Kong-based workplaces which can be regarded as international settings may be approved as internship sites at the discretion of the course leader.

2. Course Intended Learning Outcomes (CILOs)

(CILOs state what the student is expected to be able to do at the end of the course according to a given standard of performance.)
