Course Code:	EN6942
Course Duration:	One semester
Credit Units:	3
Level:	P6
Medium of Instruction:	English
Medium of Assessment:	English
Prerequisites: (Course Code and Title)	EN6471 Research Methods in English Studies or EN6508 Critical Approaches to Literature
Precursors: (Course Code and Title)	Nil
Equivalent Courses: (Course Code and Title)	Nil
Exclusive Courses: (Course Code and Title)	Nil

Part II Course Details

1. Abstract

The course aims to provide students of English Studies with the language skills and strategies necessary for the production of a variety of high level written scholarly research texts. The course is specifically designed for students who are concurrently enrolled in EN6941 Dissertation. The course will benefit those who plan to publish an ongoing research project or pursue a doctoral program upon graduation.

2. Course Intended Learning Outcomes (CILOs)

No.	CILOs [#]	Weighting* (if applicable)	Discovery-enriched curriculum related learning outcomes (please tick where appropriate)		
			A1	A2	A3
1	describe the generic formats of a variety of research texts and adapt the formats in order to organize their research writing effectively;	5%	✓	✓	✓
2	describe and present in coherent fashion the essential types of information needed in the key sections of the research text types described in CILO 1;	25%	✓	✓	✓
3	describe and employ various conventions as well as strategies of citation needed to create well-integrated, meaningful prose and to establish their own authorial voices when drawing on others' work in written research texts;	25%	✓	✓	✓
4	describe and apply various linguistic resources and rhetorical strategies necessary for converting parts of their research proposal into a thesis;	20%	✓	✓	✓
5	describe and employ skills and strategies needed to identify publishing outlets and make plans for publishing.	20%	✓	✓	✓
6	identify and apply existing online resources to facilitate the development of knowledge, skills and strategies described in CILOs 1-5	5%	✓	✓	✓
		100%			

* If weighting is assigned to CILOs, they should add up to 100%.

A1: Attitude

Develop an attitude of discovery/innovation/creativity, as demonstrated by students possessing a strong sense of curiosity, asking questions actively, challenging assumptions or engaging in inquiry together with teachers.

A2: Ability

Develop the ability/skill needed to discover/innovate/create, as demonstrated by students possessing critical thinking skills to assess ideas, acquiring research skills, synthesizing knowledge across disciplines or applying academic knowledge to self-life problems.

A3: Accomplishments

Demonstrate accomplishment of discovery/innovation/creativity through producing /constructing creative works/new artefacts, effective solutions to real-life problems or new processes.

3. Teaching and Learning Activities (TLAs)

(TLAs designed to facilitate students' achievement of the CILOs.)

TLA	Brief Description	CILO No.						Hours/week (if applicable)
		1	2	3	4	5	6	
Lecture	Teacher-fronted presentation of material	✓	✓	✓	✓	✓	✓	
Tutorial	Language tasks and activities Small group discussions	✓	✓	✓	✓	✓	✓	

4. Assessment Tasks/Activities (ATs)

Assessment Tasks/Activities	CILO No.						Weighting *	Remarks
	1	2	3	4	5	6		
Continuous Assessment: 100%								
1. <i>Producing a research text</i> Students will be asked to produce one substantial piece of research writing (e.g. a research proposal, one part of a thesis or a manuscript for publication.)	✓	✓	✓	✓		✓	80%	
2. <i>Producing a publishing plan</i> Students will be asked to report an analysis of publishing outlets and produce a tentative publishing plan for their research projects.	✓		✓		✓	✓	20%	
* The weightings should add up to 100%.							100%	

5. Assessment Rubrics

(Grading of student achievements is based on student performance in assessment tasks/activities with the following rubrics.)

Applicable to students admitted in Semester A 2022/23 and thereafter
